

inland THUMBSAVERS™

User Instructions

ThumbSavers™ cushion your fingers as you grind protecting your fingers from sharp glass edges and will save your finger nails from being ground by the bit. You'll be able to grind longer and with more pressure alleviating sore fingers, cuts and calluses.

Operating Instructions

1. Place ThumbSavers™ over each thumb with notched edge facing forward.
2. Position notched edge against glass piece to grind.
3. Turn on machine and use the ThumbSavers™ to guide and steer glass into the bit.
